Thank you friends!

When you said that you are going to make a donation to pay the LUCIA bill we have run out of words. This is very exciting! we do not have enough words to transmit you our gratitude, thanks again to be so generous with our dogs!

Having the responsibility of giving life to a shelter in Spain has always been very difficult, but now with the economic crisis, it is still almost impossible, so the gestures of support from your organization are very significant for us.

Thank you very much to your donors and to Vida Nova Honden team!

Receive our most endearing hug!
